TRANSPORTATION CLUB OF TACOMA

Letter from the Board of Directors

Dear Scholarship Applicant,

Since 1926, the Transportation Club of Tacoma has been involved in the Tacoma and Pacific Northwest transportation industry. Its origin can be traced back to that of a gentleman by the name of E.R. Cronkhite who started an organization aimed at fellowship and social exchange within the Tacoma transportation community. Mr. Cronkhite's vision has since evolved into one that focuses on charities like the Emergency Food Network, Habitat for Humanity and Mary Bridge Foundation, but it has also created what is now known as the Matt Moskal, Stan Levy and Anita Lydiard Scholarship Program.

Our scholarship program is designed at identifying individuals with strong academic skills and solid character. Enduring and strong character defined Matt Moskal, Stan Levy and Anita Lydiard. It is appropriate we reward applicants who best represent these three great ambassadors of our Club.

I encourage you take the time to explore this opportunity and apply for our Club Scholarship Program. It will be with great pride that I will be given the opportunity to congratulate another class of scholarship students, and I sincerely wish for you to be one of them.

Best Regards

Ron Asahara

TRANSPORTATION CLUB OF TACOMA

Who are Stan Levy, Matt Moskal and Anita Lydiard? Simply put, they were three great ambassadors of our club and for what it represents. Below you can read a few words about each of these fine individuals. What you will not find is the enduring spirit they brought to the people in this industry and this program.

Matt Moskal Bio

Matt Moskal, originally from Chicago, was a long-time instructor at Green River Community College (GRCC) in Auburn and McChord AFB. Matt was instrumental in developing and teaching GRCC's Traffic and Transportation Program. He worked in the transportation industry for many years and was a mentor to many local professionals who began their transportation careers in his classrooms. He also served on transportation related boards, and was a well respected consultant.

Stan Levy Bio

Stan Levy was active in the Club for over 50 years and served as Secretary-Treasurer under President Bill Rutherford. In November of 2001, he was awarded TCT's Lifetime Achievement Award. Always involved in his community, Stan volunteered for the Elk's Christmas Toys for Children, at Tacoma's Temple Beth El, Little League, and Boy Scouts' Order of the Arrow. His long career was spent at Pacific Highway Transport, Portland Seattle Freight Lines (ABF), Southwest Delivery, Silver Eagle, Brader (Easley Hauling), and Okanogan-Seattle Transport, where he retired twice (!) - in 1997 and 2001.

Anita Lydiard Bio

Anita Lydiard served as TCT President from January to July 2008. For many years, she produced the Membership Directory and was active on the Scholarship committee. A caring individual who brought her positive attitude and strong leadership skills to the Board of Directors, Anita worked tirelessly to help grow and improve the club and its events. Involved in many charities, including American Cancer Society's "Team Lydiard", she stood ready to lend a hand right up until she passed away in December, 2010. In honor of her life and spirit within our club, Anita Lydiard's name was added to the TCT Scholarship program in 2012.

TRANSPORTATION CLUB OF TACOMA

History of the Club

On March 1, 1926, *The Traffic Club of Tacoma* was founded under the leadership of E.R. Cronkhite - Pacific Match Co. - its first President.

Within two years the present name of *The Transportation Club of Tacoma* was adopted and it began to prosper with a full set of Officers, Board of Directors and 128 members. Many of the companies still hold active memberships in the organization today; of these remaining firms are included railroads, motor carriers and industrial firms. Over the ensuing eighty years few changes were necessary in the Constitution, By-Laws or meeting format; this attests to the foresight of our *Founding Fathers* and regard for maintaining tradition within the Club. During its entire history, the Club has continued to hold regular monthly meetings, except during months where significant club events are planned. These events currently include the Hi-Jinks and Spring Open Golf Tournaments, National Maritime Week, Habitat for Humanity Day, EFN Christmas Drive and the Mary Bridge Children's Hospital Bandage Drive.

Recently we've seen our Club grow to a membership total over 400 members, allowing its members and guests to regularly meet in an atmosphere of fellowship and social exchange of ideas regarding sound transportation. While the Club offers its members a great networking opportunity, the membership provides the community with significant contributions to local charities like Emergency Food Network, Habitat for Humanity and Mary Bridge Foundation. In addition, we are able to consistently contribute a significant amount of scholarships for the family members of our membership.

The Club's mission will continue to center on building bridges within the transportation industry while at the same time providing a strong connection to the local community through charitable work.

On behalf of the officers and membership, we look forward to what our history will read as we push toward our 100th anniversary in 2026.
