

VETRANS Logistics Services, Inc seeks an experienced, results-oriented Freight Broker to join our growing business.

VETRANS has been brokering freight for more than 15 years. We have a solid book of business and provide a stable platform from which to grow additional business. Our credit rating is outstanding. We have many long-term relationships with both shippers and carriers that have significant growth potential.

Freight Broker candidates should possess the following qualifications:

- Sales/customer service experience in the transportation industry
- Knowledge of/experience with freight brokerage operations (US/Canada)
- Understanding of trucking industry including federal/state regulatory requirements
- Competency with computer systems to include Microsoft Office applications
- Ability to work in a fast-paced, team-oriented environment
- Excellent problem-solving abilities
- Excellent verbal/written communication skills

Our Freight Broker position will perform the following duties:

- Act as a liaison between our shippers/carriers
- Ensure retention of our current customers
- Price loads for shippers
- Book loads with carriers
- Communicate with dispatchers/drivers to track the status of loads
- Set/meet sales goals
- Identify/develop new customers
- Identify/develop safe, reputable carriers
- Accurately/promptly induct all transactions into required internal systems
- Work in the proprietary systems of our customers
- Maintain knowledge of current transportation industry trends

VETRANS Logistics Services offers competitive salary and benefits that include:

- Base salary \$45,000-\$60,000/year depending on experience
- Bonus/commission plan based upon sales goals
- Fully paid employee medical, dental, vision, prescription, and AD&D insurance plan (dependent coverage available, too)
- Paid holidays

- Paid time off (Vacation/Sick/Personal Days)
- Retirement plan
- Annual reviews
- Weekly pay/direct deposit
